## Gophers, Gophers Everywhere!

If you see a gopher, pat 'em on the back. These guys deserve to be praised. Without their dedicated hard work, running the convention and keeping crowd control would be impossible.

Gophers are here to help you. Don't be afraid to ask one of them a question or two. And don't worry, our gophers don't bite.

## If you plan to use the Jacuzzi...

The pool and Jacuzzi are two great places to cool off and relax after a buisy day at the convention.

Please remember that the Pool and Jacuzzi are on "Japanese rules" throughout the convention. This means showering before you enter the jacuzzi, and when you go from the jacuzzi to the pool, or vice versa.

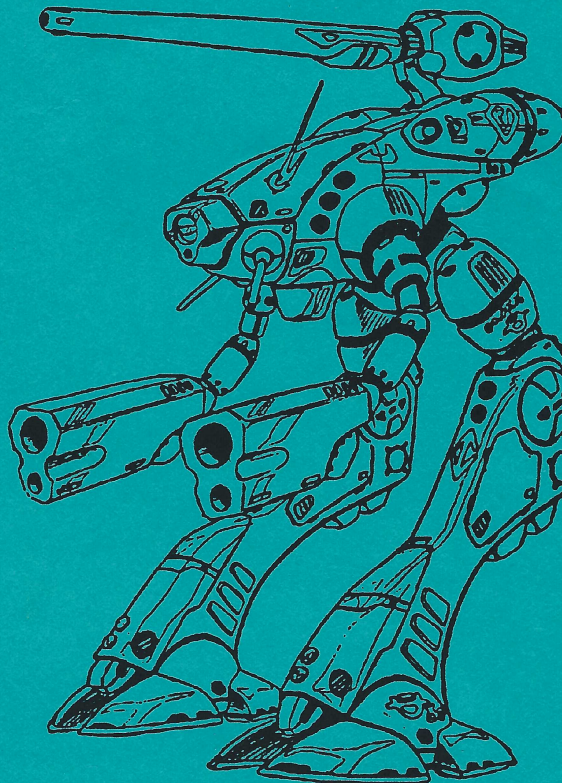

The Red Lion has offered to

extend the hours that the pool and the jacuzzi will be available, so long as we don't make a lot of noise. The pool is lighted as well as heated, and looks (and feels) spectacular at night.

## Weapons Policy

1. If you kill it, you eat it, wherever it falls.
2. If your prop/weapon looks real, take it to Con-Ops and have it inspected and cleared by Con security.
3. If you can't conduct yourself in accordance with local laws, and with common sense in regards to your prop, go home. It'll save us a lot of trouble.

"You kill it,  
you eat it."

## Save Ann Shubert!

As many of you know, Ann Shubert, long time bay area Anime fan and the former host of the A.N.I.M.E. club meetings, has fallen victim to a stroke. Her condition is worsening. A benifit art auction to raise money for Ann will be held at 1:00pm Sunday, directly after the regular art auction.
